ok so when exactly are the forums going into read only, as in what's the exact time?

please don't leave us in the dark, some of us gotta make our last post real dramatic and stuff

pls keep bumping the thread bc this is like somewhat important

we got lives and need to know when to grieve

people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today
because i knew you

will bump- I might have to say my final goodbyes on the 28th depending on the time; I live in a less common time zone, I guess?

I think people have said March 29. It might be set to go into effect as soon as it hits 12 AM, but due to the forum glitch that always bumps post to the next day at night, I would try to get your last post in early afternoon on March 28.

Brrr-cky B : admin

I recommend early to midday (EST) 3/28 for a DRAMATIC final post. It's unclear what exact time it will be, which is unfair I know.

T39CMB hasn’t snapped yet so if Becky doesn’t say anything then it may be later in the day, but I’d do all your goodbyes the day before to be safe
